Borneo St Allotment Association	Mobile Farm Visit	TBC	TBC	TBC	<p>We would like to engage a mobile farm to come on site for a couple of hours and invite families in the neighbourhood to come and see the animals. Everyone knows how much Her majesty and the rest of the family feel about the animal kingdom and we feel this would be a nice treat for the children.</p> <p>We often find that many children do not know where their vegetables come from and what they look like. So for many the opportunity to meet animals and learn about them could be something really special and educational. Every year at our open day we invite the hedgehog lady to bring hedgehogs down for the children to see. It is always very well attended indeed.</p> <p>We would probably look to arrange an animal themed afternoon. With the beekeepers and the hedgehogs also on site.</p> <p>If the budget is sufficient to purchase what we need we would not charge for this event at all.</p> <p>The farm we have in mind has pomies, sheep, llamas, chickens, rabbits. We will not be having any exotic pets on site!!!!!!</p>	SOUTH

Simple Steps Training CIC	Walsall Jubilee Community Celebration	Thursday 26th May	10-3pm	Royal Hotel Abelwell Street Walsall WS1 2EL	<p>Simple Steps currently provides community language classes to ladies who have newly arrived to the UK as well as those who have already lived in Walsall but lack confidence and self esteem. We concentrate highly on community integration and cohesion.</p> <p>The Walsall Jubilee Community Celebration will see women from different backgrounds, religions and ages come together. There will be a mix of generations – those who have lived in the UK for a while and whom remember the Queen's Coronation, sharing their memories and experiences of life in Britain. For those who are new to the UK, we will watch the Queen's Coronation which took place on June 2nd 1953 and her life story on the big screen (overhead projectors will be used).</p> <p>We believe it's imperative that we as a community engage and educate those who have arrived to the UK recently as well as those who have arrived here but not necessarily had the support or means to venture out to learn. The Royal Family are an important part of British history and having an event that will bring people together to celebrate the monarchy and the Queen herself is special, by all means.</p> <p>There will be Food, Henna and craft stalls to showcase the skills the ladies possess. There will also be group Crocheting, where ladies will come together to crochet items/sets which will be donated to the children at Acorns Children's Hospice in Walsall. These will all be in the colours Red, White and Blue to celebrate our Queen's Jubilee.</p> <p>Having already spoken with the groups we teach, they all feel it's a fantastic opportunity to take part in.</p>	SOUTH
